

At Revolution Church our vision is to Love God, Love People and Start a Spiritual Revolution in one life at a time!

In our first year of ministry we believed God to do the impossible in our midst and He showed up in a revolutionary way!

On behalf of everyone who gave their life to Christ at our church in our first year of ministry, I want to say thank you! You are an amazing church Revolution and I believe that God will reward you for your faithfulness.

That said, we are just getting started. I feel like God is saying "You ain't seen nothing yet church!" I can't wait to see what all 2011 holds!
